23 (c) CHIEF STATE ELECTION OFFICIAL DEFINED.—  
24 In this title, the “chief State election official” of a State  
25 is the individual designated by the State under section 10

1 of the National Voter Registration Act of 1993 (42 U.S.C.  
2 1973gg-8) to be responsible for coordination of the State's  
3 responsibilities under such Act.

4 **SEC. 502. STANDARDS DESCRIBED.**

5 The minimum standards for State election systems  
6 described in this section are as follows:

7 (1) The State will implement an official State-  
8 wide voter registration system networked to every  
9 local jurisdiction in the State, with provisions for  
10 sharing data with other States, except that this  
11 paragraph shall not apply in the case of a State in  
12 which, under law in effect continuously on and after  
13 the date of the enactment of this Act, there is no  
14 voter registration requirement for any voter in the  
15 State with respect to an election for Federal office.

16 (2) The State election system includes provi-  
17 sions to ensure that voter registration records in the  
18 State are accurate and are updated regularly, in-  
19 cluding the following:

20 (A) A system of file maintenance which re-  
21 moves registrants who are ineligible to vote  
22 from the official list of eligible voters. Under  
23 such system, consistent with the National Voter  
24 Registration Act of 1993, registrants who have  
25 not voted in 2 or more consecutive general elec-

1           tions for Federal office and who have not re-  
2           sponded to a notice shall be removed from the  
3           official list of eligible voters, except that no reg-  
4           istrant may be removed solely by reason of a  
5           failure to vote.

6           (B) Safeguards to ensure that eligible vot-  
7           ers are not removed in error from the official  
8           list of eligible voters.

9           (3) The State permits, by the deadline required  
10          under section 504(b), in-precinct provisional voting  
11          by every voter who claims to be qualified to vote in  
12          the State, or has adopted an alternative which  
13          achieves the same objective, except that this para-  
14          graph shall not apply in the case of a State in  
15          which, under law in effect continuously on and after  
16          the date of the enactment of this Act, all votes in  
17          the State in general elections for Federal office are  
18          cast by mail.

19          (4) The State has adopted uniform standards  
20          that define what will constitute a vote on each cat-  
21          egory of voting equipment certified for use in the  
22          State.

23          (5) The State has implemented safeguards to  
24          ensure that absent uniformed services voters (as de-  
25          fined in section 107(1) of the Uniformed and Over-

1        seas Citizens Absentee Voting Act) and overseas vot-  
2        ers (as defined in section 107(5) of such Act) in the  
3        jurisdiction have the opportunity to vote and to have  
4        their votes counted.

5            (6) The State requires new voting systems to  
6        provide a practical and effective means for voters  
7        with physical disabilities (including blindness) to  
8        cast a secret ballot.

9            (7) If the State uses voting systems which give  
10       voters the opportunity to correct errors, the State  
11       shall ensure that voters are able to check for and  
12       correct errors under conditions which assure privacy.  
13       States, and units of local government within the  
14       States, procuring new voting machines within their  
15       jurisdiction, except for States and units replacing or  
16       supplementing existing equipment (within the same  
17       voting system), shall ensure that the new voting sys-  
18       tem gives voters the opportunity to correct errors be-  
19       fore the vote is cast.

20    **SEC. 503. ENFORCEMENT.**

21        (a) REPORT BY COMMISSION TO ATTORNEY GEN-  
22       ERAL.—If a State does not provide a certification under  
23       section 501 to the Election Assistance Commission, or if  
24       the Commission has credible evidence that a State's cer-  
25       tification is false or that a State is carrying out activities

1 in violation of the terms of the certification, the Commis-  
2 sion shall notify the Attorney General.

3 (b) ACTION BY ATTORNEY GENERAL.—After receiv-  
4 ing notice from the Commission under subsection (a), the  
5 Attorney General may bring a civil action against a State  
6 in an appropriate district court for such declaratory or in-  
7 junctive relief as may be necessary to remedy a violation  
8 of this title.

9 **SEC. 504. EFFECTIVE DATE.**

10 (a) IN GENERAL.—Except as provided in subsection  
11 (b), the requirements of this title shall take effect upon  
12 the expiration of the 2-year period which begins on the  
13 date of the enactment of this Act, except that if the chief  
14 State election official of a State certifies that good cause  
15 exists to waive the requirements of this title with respect  
16 to the State until the date of the regularly scheduled gen-  
17 eral election for Federal office held in November 2004,  
18 the requirements shall apply with respect to the State be-  
19 ginning on the date of such election.

20 (b) DEADLINES FOR IMPLEMENTATION OF PROVI-  
21 SIONAL VOTING.—The minimum standard described in  
22 section 502(3) (relating to permitting in-precinct provi-  
23 sional voting) shall apply with respect to the regularly  
24 scheduled general election for Federal office held in No-  
25 vember 2002 and each succeeding election for Federal of-

1 fice, except that if the chief State election official of a  
 2 State certifies that good cause exists to delay the imple-  
 3 mentation of such standard in the State, the standard  
 4 shall apply in the State with respect to the regularly  
 5 scheduled general election for Federal office held in No-  
 6 vember 2004 and each succeeding election for Federal of-  
 7 fice held in the State.
